#### **Family Prayer**

Hold hands together for this prayer.

**Dear God, we give you thanks that you are always with us. Help us to have confidence when we are afraid, that your presence is sure. AMEN.**

## TALK ABOUT IT

### **Family Conversations**

- 1** When you are frightened, who helps you feel safe?
- 2** When do you pray to God? What do you pray for?
- 3** What would we do as a family if praying became illegal?
- 4** Is fear good or bad? How can we work to make the world a less fearful place?

#### **Eye Spark**

When you see the letter "L," make an L-shape with your fingers. Then close them quickly like God closed the lions' mouths.

#### **Ear Spark**

Listen for sounds that someone might be afraid of, then say, "God is with us."

## LIVE IT

### **For families to do together**

Daniel prayed three times a day. Find three times during the day to pray together as a family: before or after meals, when you wake up, at nap-time, or before bed. Try some new ways of praying like singing, dancing, or drawing a prayer. Explore prayer together!

### **For younger kids**

Pray for someone you know is going through a difficult time. Tell them you're praying for them.

### **For older kids**

Find the sound of lion roars on the internet. Turn up your speakers! Is it scary? Play it back for yourself whenever you feel afraid of something. Know that God is with you.
