### **Take Joy- music for online worship**

How many of you thought we recorded our music at church? Well, we started off doing that until we were told by our governor to stay at home. Thanks to Bill Gallaher and Craig Torgerson we got creative! Bill would record a track and then send the flash drive and music with the recording device to my house then I would take it to the Powells and then they would return it to church. This is where the magic happened! Bill and Craig would mix all the tracks to sound balanced and then put lyrics to them for what you see on Sunday mornings. It is strange singing by yourself! I am so excited that we can meet again in small groups so we can sing together!! I've really missed it!
